Education

2026 (expected December)	Ph.D. in Statistics Cornell University Advisor: Martin T. Wells
2026 (August)	Ph.D. in Management Cornell University, S.C. Johnson College of Business Advisor: Gautam Ahuja
2018	M.S. in Applied Mathematics University of Colorado Denver
2018	M.A. in Economics University of Colorado Denver
2015	B.E. in Mechanical Engineering Visvesvaraya Technological University With Distinction

Research interests

Management	Competitive strategy; organization theory; technology and innovation; technological search and knowledge recombination; organizational learning and capabilities; coordination and collective action; computational social science and AI collectives.
Statistics	Causal machine learning; explainable AI; statistical learning; network analysis; computational analysis of text, graphs, images, and sequential data; multi-agent systems and computational experiments.

Research papers

Innovation & competitive search

1. Ramdas, T., & Ahuja, G. "Generative Inventions and Search Incursions: Technological Proximity and the Nature of Follow-On Inventive Activity."

Job market paper

2. Ramdas, T. "Shaping the Search Landscape: Generative Inventions and Follow-On Invention."
Working paper
3. Ramdas, T., & Wang, Y. S. "Generative Inventions and Changing Recombination Spaces."
Work in progress

Coordination in AI collectives

1. Ramdas, T., & Macy, M. W. "Spontaneous Coordination and Common Knowledge in AI Collectives."
Working paper

Statistics, finance & law

1. Ramdas, T., Huang, P., Garoupa, N., Wells, M. T., Chang, Y., & Ginsburg, T. "The Genesis of Constitutions: A Natural Language Processing Approach."
Accepted at ICON
2. Ramdas, T., Huang, C., Garoupa, N., Wells, M. T., Chang, Y., & Ginsburg, T. "Algorithmic Selection of Iconic Constitutions."
Revise and resubmit · SSRN
3. Ramdas, T., & Wells, M. T. "Bellwether Trades: Characteristics of Trades Influential in Predicting Future Price Movements in Markets."
Working paper · arXiv
4. Ramdas, T., Wells, M. T., & Chang, Y. "A Phylogenetic Tree of Constitutions 1799 to 2025."
Work in progress

Earlier collaborative work

1. Qiao, K., Sine, W. D., Ramdas, T., & Ross, M. "Substantive and Subjective: A Multi-Method Investigation of B Corp Certification on Customer Ratings."
Revise and resubmit at Academy of Management Journal

Research & professional experience

2023	Morgan Stanley Summer Associate, Wealth Management Analytics, Data and Innovation
2018	Research Associate, HBS Strategy Unit
2015	Accenture Associate Software Engineer, following B.E.

2013-2014

National Aerospace Laboratories

Undergraduate Researcher, Experimental Aerodynamics Division

Teaching assistant experience

MBA	NBA 6650 · The Strategic Management of Technology and Innovation NBA 6050 · Strategy Formulation and Competitive Analysis NBA 6029 · Leading Agile Innovation NBA 5645 · Dilemmas in Founding New Ventures NBA 5100 · Social Entrepreneurship
Graduate	CS 5726 · Learning, Inference and Decision Making with Data BANA 6610 · Optimization in Machine Learning BANA 6612 · Time Series Analysis ECON 5083 · Macroeconomic Theory
Undergraduate	ECON 3811 · Statistics with Computer Applications ECON 2022 · Principles of Microeconomics ECON 2021 · Principles of Macroeconomics ECON 3100 · Economics of Race and Gender ECON 3010 · Probability and Statistics for Social Science MATH 1710 · Statistical Theory and Applications

Honors, awards & grants

2025	Markets and Management Fellowship \$4,500
2025	IHS Grant \$2,500
2024	Cornell Research Grant \$5,000
2024	Ted Eisenberg Fellowship, Cornell University \$2,000
2018	Cornell Fellowship Declined
